

World AIDS Day • December 1, 2011

COMMUNITY CARNATION MEMORIAL

Join us at 5:45pm at The 519 for refreshments and the Community Carnation Memorial.

This community event honours and remembers those we have lost to AIDS and supports those living with and affected by HIV/AIDS, both locally and globally.

Prior to the Carnation Memorial, Black CAP will host a Community Fair beginning at 3PM.

This community event is led by the Toronto People with AIDS Foundation (PWA), the AIDS Candlelight Vigil Committee, Loft Community Services - McEwan Housing and Support Services and The 519 Church Street Community Centre.
