

Mark Fisher and James Forrester invite you to mark World AIDS Day and join the launch of our 2012 fund-raising campaign for the 14th Annual Friends for Life Bike Rally in support of the Toronto People With AIDS Foundation on Thursday, December 1, 2011.

This year we have teamed up with Globe Bistro on the Danforth to bring you this very special evening. Their theme, "Think global, Eat local" fits with what this evening is all about. Join us in warm elegant surroundings and watch Chef Kevin McKenna prepare what one food critic called "gastronomic ecstasy" in the open kitchen. Kevin has designed a special 3 course dinner for the evening based upon local ingredients including; Lake Huron Speckled Trout, Beluga lentils, baby spinach, red pepper jam, Mennonite Chicken Suprême, Ginger rice and beans, chilli apple glaze and more to tempt you.

The evening's fixed price menu includes hors d'oeuvres prior to dinner. As part of our fundraising event Globe Bistro is offering this amazing culinary experience for only \$55 per person of which \$20 will be donated to our fundraising efforts for the 2012 Bike Rally. A cash bar will be open during throughout the evening.

Don't miss out on this very special evening while supporting the Toronto PWA Foundation and raising awareness of AIDS on World AIDS Day.
