

**Were you, or  
one of your  
parents, born  
in Sub-Saharan  
Africa or the  
Caribbean?**

**CONFIDENTIAL SURVEY**

## **TAKE PART IN THE A-C STUDY!**

**African, Caribbean and Black (ACB) Communities  
in Ontario preventing HIV and promoting health**

### **You should participate in A-C Study if:**

- You were born in Sub-Saharan Africa or the Caribbean
- One of your parents was born in Sub-Saharan Africa or the Caribbean
- You are between 15-64 years old

### **What the study involves:**

1. Filling out a questionnaire about sexual health, access to health care, HIV testing, experiences of racism and stigma, and community attachment
2. Giving a single drop of blood for HIV testing (OPTIONAL)
3. Linking to information associated with your health card to understand what ACB people get from the health care system(OPTIONAL)

**A-C Study takes 30-60 minutes of your time, is voluntary and confidential.**

You will receive \$40 as a thank you for participating in the study
