

CALL FOR BOARD MEMBERS

**Are you passionate about issues related to
prison, harm reduction, Hep C and HIV?**

Are you interested in being a part of creating change?

If so, we need YOU!

Prisoners with HIV/AIDS Support Action Network (PASAN) is looking for board members who are not afraid to roll up their sleeves.

We are looking for people with lived experience (i.e. familiarity with prison systems, HIV or Hep C) and who have skills in the areas of finance, accounting, non-profit governance, fundraising, or human resources. We are particularly interested in connecting with people from Black, Indigenous, and racialized communities

Being a part of PASAN's Board can be a highly rewarding experience. You'll meet and collaborate with a diverse collection of individuals committed to supporting prisoner/ex-prisoners from a de-carceration and anti-oppression framework. This is a great opportunity to give back by helping to facilitate critical HIV, Hep C and Harm Reduction with prisoner and ex-prisoners in Ontario.

Board members' responsibilities include attending monthly Board meetings and serving on one or more Board committees (Advocacy, Board Development, Decolonization and Anti-Racism/Anti-Oppression Executive, Finance and Fundraising). Board members are expected to play an active role in setting strategic direction for PASAN and supporting the organization in communicating and achieving its mandate.
